## INTRODUCTION

UMS Link Centre for Professional Development (UCPD) was established on 1<sup>st</sup> April 2007 with a target to offering programmes to the government agencies and private sectors.

Thus, UMS through UCPD envision to provide a platform for talent, skill, knowledge and other competencies development required by all walks of life. UCPD also aims to be a preferred training centre in the region. To-date, UCPD has offered various in-door training and outdoor training programmes to both government and corporate sectors. UCPD has established UMS-Outdoor Development Centre (UMS-ODEC) which is the premier centre for outdoor experiential programmes of the university.

## VISION

Strives to be an excellent centre for human capital development in the region.

## MISSION

Strives to provide quality human capital development programmes through a balance and integrated approach of skills, knowledge, attitudes, physical and spiritual endurance.

## OBJECTIVES

- To provide skills, knowledge and executive programmes for career and professional development.
- To offer outdoor experiential programmes through UMS-Outdoor Development Centre.

- To cultivate life-long learning experience for various levels of communities.

The management of UCPD is directly under UMS Link Holdings Sdn. Bhd., a company owned by Universiti Malaysia Sabah.

The training and development programmes were designed not only to enhance people's working skills but also to motivate themselves to succeed. Beside that, the programmes were also designed to improve their confidence level.
